Order Acknowledgement

Dear Surname,

Thank you for your recent order. ALS Environmental Ltd have now received your samples and will be conducting analysis as per the attached confirmation. Please could you take this opportunity to check these details and let us know as soon as possible if you wish to change your analytical requirements or if there are any errors. If we do not hear from you within 24 hours, we will assume we have recorded your requirements correctly and will proceed with the analysis listed.* We will commence analysis on samples received outside of stability or without a sampling date, and an analyst comment will be applied to affected results on the test report.

ALS Job Number : 2337532
Sample Receipt Date : 30/06/2022
Completion Date : 14/07/2022
Turnaround Time : 10 working days
Type (AGS, MCERTS) : None
Purchase Order Number : Test Quote

Please note that a minimum order charge and/or a minimum sample charge may be added at ALS Environmental's discretion.

We would like to take this opportunity to thank you for choosing us as your analytical supplier. If you require any further information or have any queries please do not hesitate to contact us.

Kind Regards For and on behalf of ALS Environmental
